We write and maintain a database for National Hockey League and scouts. The program is used extensively by all scouts and managers on 29 NHL clubs, 44 CHL and USHL teams as well as NCAA schools, Hockey Canada and U.S.A. Hockey. Part of this database includes information about each player so that the users can obtain material quickly and easily. We pride ourselves on having the most up-to-date and extensive database in the hockey industry.

As such we are writing to you today to ask you to complete an information questionnaire that will help ensure that the information that we have about you in our system is accurate. It will only take a few minutes to complete and will greatly help us and help you at the same time. This information will not be released to the public and is only used by hockey executives. You can obtain a full list of our clients by going to <http://Info.RinkNet.com>

Simply fill out the attached questionnaire and return it to us by fax at (519) 836-6703 (no cover sheet required) or by mail at: 54 Monarch Road, Suite 3, Guelph, Ontario, N1K 1S3. If you wish to fill this questionnaire out on-line you may do so at <http://Questionnaire.RinkNet.com>
